

# Lucky 7 - Mike Lane

Mike Lane has been on the professional circuit since the late 1980s, having performed live broadcasts for both television and radio and previously having his own weekly two hour show on South Yorkshire radio. His music, which includes his own works blended with classic Country and middle of the road 60's is played at holiday camps throughout the UK.

His recent venues include Aintree Racecourse on Grand National day on two occasions, Windsor Castle, many trips to the Orkney and Shetland Isles, several trips to Switzerland where he met and performed with Jimmy Jones of the Vagabonds fame and the Tremeloes etc. Many other DJs and musicians at various venues including the capital city of Berne, the casino at Montreux and the millionaire's playground at St Moritz during high and low season, as well as many other venues in the mountainous regions of Switzerland have also been playing his music.

Other countries he has toured include, in the Far East, Hong Kong, Singapore and Malaya and in the Middle East, Dubai, Bahrain and Oman. Recent trips abroad included Germany with many more trips forthcoming due to the response of Volume 6 - All Originals release. His music can be requested to be played on most Country music radio stations in the UK and abroad.

Mike is available as a solo or duo act enabling him to accommodate the budget of your function anywhere in the world. Further information about Volume 6 - All Originals - The eBay song (I Sold My Heart On eBay) up to the end of September 2009 has received over 24,000 hits which took the song back to number one on [www.numberonemusic.com](http://www.numberonemusic.com).

you can hear, they fit Mike's singing style very well indeed. Ron has predicted that this CD will become a

'collectors item' in its own right and he has stated that in his humble opinion 'this is the best Mike Lane has recorded to date'. Mike's last CD, Volume Six - All Originals opened many doors. While most British artists followed the well trodden path of recording the same old format of churning out copies of well known American songs, Mike broke new ground by recording all original songs and it brought him to the
